Mind ProberTM Jr.

*Personality Software That Lets You
See People As They Really Are.*

MIND PROBER

Mind Prober produced a detailed (and frighteningly accurate) evaluation of the other's personality ... devastatingly powerful for understanding those you know.

Infoworld

...it has the ability to pinpoint a person's strengths and weaknesses, the kind of relationships they tend to have, their sensitivity to stress...

Boston Business Journal

...Surprisingly on target.

New York Post

...allows the user to analyze the psyche of acquaintances and evaluate their likes and dislikes, their hidden motivations and their likely reactions...

Publishers Weekly

...startling in its accuracy.

Compute!

...astonishingly accurate.

Video

When supplied with a few dozen descriptive adjectives about an individual, Mind Prober will concoct an instant character analysis...
